SECURITIES SETTLEMENTS

The firm has negotiated substantial recoveries and corporate governance changes for its clients. The following is a selection of significant results in securities litigation:

Carlson v. Xerox Corp., et al., 3:00-CV-1621 (D. Conn.). Representing the Louisiana State Employees' Retirement System ("LASERS") as co-lead counsel, Berman DeValerio's Boston office negotiated a \$750 million settlement to resolve claims of securities fraud against Xerox, certain top officers, and its auditor KPMG LLP. When it received final court approval in January 2009, the recovery was the 10th largest securities class action settlement of all time.

In re: Bristol-Myers Squibb Sec. Litig. (Bristol-Myers 2), 02cv2251 (S.D.N.Y.). Berman DeValerio represented the Fresno County Employees' Retirement Association and the Louisiana State Employees' Retirement System as co-lead plaintiffs, negotiating a cash settlement of \$300 million in July 2004. At that time, the settlement was the largest by a drug company in a U.S. securities fraud case.

In re: WorldCom, Inc. Sec. Litig., 02cv3288 (S.D.N.Y.). As counsel to court-appointed bondholder representatives the County of Fresno, Calif., and the Fresno County Employees' Retirement Association, Berman DeValerio helped a team of lawyers representing the lead plaintiff, the New York State Common Retirement Fund, obtain settlements worth more than \$6.13 billion as of July 2005.

In re: El Paso Sec. Litig., H-02-2717 (S.D. Tex.). Representing the Oklahoma Firefighters Pension and Retirement System as co-lead plaintiff, Berman DeValerio helped negotiate a memorandum of understanding to settle claims against the defendants for \$285 million, including \$12 million from auditors PricewaterhouseCoopers. The court granted final approval of the settlement in March 2007.

In re: Digital Lightwave Sec. Litig., 98-152cvT-24C (M.D. Fla.). The Boston office acted as co-lead counsel and the Florida office acted as liaison counsel in negotiating a settlement that included changing company management and strengthening the company's internal financial controls. The class received 1.8 million shares of freely tradable common stock that traded at just below \$4 per share when the court approved the settlement. At the time the shares were distributed to the members of the class, the stock traded at approximately \$100 per share and class members received more than 200% of their losses after the payment of attorneys' fees and expenses. The total value of the settlement, at the time of distribution, was almost \$200 million.

In re: Bristol-Myers Squibb Sec. Litig. (Bristol-Myers 1), 00cv1990, (D.N.J.). The firm negotiated a \$185 million partial settlement with Bristol-Myers and Charles A. Heimbald, Jr., the company's former chairman and chief executive officer. The company also agreed to implement corporate governance reforms. The settlement agreement received final court approval in May 2006.

Subsequently, Symbol's former auditor, Deloitte & Touche LLP, agreed to pay \$24 million. The settlement was approved by the court in September 2006.

In re: Lernout & Hauspie Sec. Litig., 00-11589 (D. Mass.) and *Quaak v. Dexia, S.A.*, 03-11566 (D. Mass.). As co-lead counsel, Berman DeValerio negotiated what was then the third largest settlement ever paid by accounting firms in a securities class action – a \$115 million agreement with the U.S. and Belgian affiliates of KPMG International – to settle claims of accounting malpractice in December 2004. The case stemmed from KPMG's work for Lernout & Hauspie Speech Products, a software company driven into bankruptcy by a massive fraudulent scandal. In March 2005, the firm also reached an additional settlement worth \$5.27 million with certain of Lernout & Hauspie's former top officers and directors. In the related *Quaak* case, the firm negotiated a \$60 million settlement with Dexia Bank Belgium to settle claims stemming from the bank's alleged role in the fraudulent scheme at Lernout & Hauspie. The court granted final approval of the Dexia settlement in June 2007. The Dexia agreement brought the total settlement value to more than \$180 million.

BERMAN DEVALERIO

In re: Prison Realty Sec. Litig., 3:99cv0452 (M.D. Tenn.), (In re: Old CCA Sec. Litig., 3:99cv0458). The firm represented the former shareholders of Corrections Corporation of America, which merged with another company to form Prison Realty Trust, Inc. The action charged that the registration statement issued in connection with the merger contained untrue statements. The firm countered arguments that the class' claims of securities fraud were released in prior litigation involving the merger and overcame motions to dismiss. It negotiated a global settlement of approximately \$120 million in cash and stock for this case and other related litigation.

Oracle Cases, Coordination Proceeding, Special Title (Rule 1550(b)) No. 4180 (Cal. Sup. Ct., SM Cty.). In this coordinated derivative action, Oracle Corporation shareholders alleged that the company's CEO, Lawrence J. Ellison, profited from illegal insider trading. Acting as co-lead counsel, the firm reached a settlement under which Mr. Ellison would personally make a charitable donation of \$100 million over five years in Oracle's name to an institution or charity approved by the company and pay \$22 million in attorneys' fees and expenses associated with the prosecution of the case. This innovative agreement, approved by a judge in December 2005, benefited Oracle through increased goodwill and brand recognition, while minimizing issues that would have been raised by a payment from Mr. Ellison to the company, of which he was a large shareholder. In addition, the lawsuit resulted in important changes to Oracle's insider trading policies that decrease the chances that an insider will trade in possession of material, non-public information.

In re: Philip Services Corp. Sec. Litig., 98cv0835 (S.D.N.Y.). As co-lead counsel, Berman DeValerio negotiated a total \$79.75 million settlement with the bankrupt company's former auditors, top officers, directors and underwriters. The settlement agreement was announced in July 2005 and the Court granted final approval in January 2006.

In re: KLA-Tencor Corp. Sec. Litig., 06cv04065 (N.D. Cal.). Representing co-lead plaintiff the Louisiana Municipal Police Employees' Retirement System, Berman DeValerio negotiated a \$65 million agreement in January 2008 to settle claims that KLA-Tencor illegally backdated stock option grants, issued false and misleading statements regarding grants to key executives, and inflated the company's financial results by understating expenses associated with the backdated options. The company settled in October 2003 for \$17 million in cash, stock valued at \$33 million and major corporate governance improvements that opened the computer networking company to greater public scrutiny. In re: Sykes Enterprises, Inc. Sec. Litig., 8:00cv212-T-26F (M.D. Fla.). The firm represented the Florida State Board of Administration as co-lead plaintiff. The difficulties facing the lead plaintiff related to marshalling all available resources to secure a recovery for the class as Critical Path teetered on the edge of bankruptcy. Following negotiations, the case settled for \$17.5 million. The settlement was approved in June 2002.

NORMAN BERMAN

In 1982, Norman Berman co-founded Berman DeValerio & Pease, LLP, a predecessor to Berman DeValerio. For the past 25 years, he has focused his practice principally on the complex litigation of cases filed under the federal securities and antitrust laws.

During the course of his career, Mr. Berman has litigated numerous cases to successful resolution, recovering many millions of dollars on behalf of defrauded investors. He was recently among the lead attorneys in the ICG Communications, Inc. and Philips Services, Corp. class actions. In the class action against ICG Communications, he helped to successfully secure an \$18 million settlement. Co-lead plaintiffs in the case alleged that ICG executives misled investors and misrepresented ICG's growth, revenues and network capabilities throughout the class period. In the case against Philip Services, Mr. Berman assisted in negotiating a \$79.75 million settlement. To date, that settlement includes the largest recovery ever obtained from a Canadian auditor.

Mr. Berman also was part of the team that achieved a \$750 million recovery in Carlson v. Xerox Corp., in which the firm represented the Louisiana State Employees' Retirement System as co-lead counsel. The recovery ranked 10th among all securities class action settlements when it received final court approval in 2009.

Mr. Berman has acted as trial counsel in a number of successful cases, including Hurley et al v. Federal Deposit Insurance Corp et al, where the court entered an \$18 million judgment against the failed First Service Bank for Savings and ICN Securities Litigation, which settled after trial for more than \$14.5 million in 1996. The trial team's work in ICN prompted positive judicial comment.

Prior to co-founding Berman DeValerio & Pease, LLP in 1982, Mr. Berman was associated with the Boston-based general practice firms Barron & Stadfeld, P.C. and Harold Brown & Associates.

Mr. Berman graduated from Boston University in 1970 and from Suffolk University Law School in 1974. While in law school, he was a member of the Public Defenders Group, and following law school, an intern with the Massachusetts Defenders Committee.

Mr. Berman is co-author of a chapter on expert testimony in a handbook on Massachusetts Evidence published by Massachusetts Continuing Legal Education (MCLE). He is AV rated by Martindale-Hubbell.

BERMAN DEVALERIO

Mr. Berman is admitted to practice law in the Commonwealth of Massachusetts, the state of Connecticut and the U.S. Supreme Court.
